Empowerment of Healing

What you may experience after a session:

- 1) Most report a general better feeling of themselves, mentally, physically, and spiritually. Like a full Mind - Body-Spirit-soul cleanse.
- 2) Many people report feeling lighter, more peaceful, more relaxed, relieved, aware, enlightened, more clarity, a new direction of their life, oneness with themselves, and happy. Some report feeling a bit tired. These, are just some of the feedback we have received.
